

CAHRS e-News

<http://cahrs.ilr.cornell.edu/UnifiedSignUp.aspx>

CAHRS offers three forms of e-News and we'd love to have your team connect to our on-line updates. To help with this, we've included links to the CAHRS newsletter, "hrSPECTRUM", as well as our popular "CAHRS Top 10" and the "CAHRS Quarterly." You register for all three using the link above or the SIGN-UP located in the red shaded toolbar near the top of each webpage (see picture below).

hrSPECTRUM

A bi-yearly electronic newsletter providing updates about what's happening at CAHRS and ILR. This includes news about leadership, faculty and students as well as CAHRS' most recent research and webcasts.

CAHRS Top 10

A monthly e-mail digest of ten news items covering key international workplace issues of interest to corporate partners.

CAHRS Quarterly

A quarterly offering that summarizes the prior three months information from the center(s) of excellence most relevant to you.
