

CAHRS Benchmarking Opportunities

Member companies can request the assistance of 5-7 other CAHRS companies in areas of interest to them several times a year.

Send an email to CAHRS with the following:

- The topic of interest and a sampling of questions or areas you'd like to discuss
- The names of 5-7 member companies you'd like to benchmark with
<http://cahrs.ilr.Cornell.Edu/about/corporate%20partners.aspx>

Send the e-mail to:

- Jo Hagin (jap7@cornell.edu) or Beth Flynn-Ferry (eef9@cornell.edu). They will find the appropriate contact and get that name to you

Your next steps:

- You then set up a call with that contact to do your benchmarking (1:1)
- Upon completion of the benchmarking, send a summary (anonymized) to the companies that participated and CAHRS
- Anonymized, reformatted summaries (no specific names or company references) are posted to the CAHRS website under the appropriate COE for all partners to benefit from
